**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our small business and our home both rely on broadband competition to keep prices down and both internet and telephone service provided.

Reliable service depends on access to diverse providers.

Please do not give AT&T monopoly power again. They abused that. Those were the bad old days.
